Designed for those who want to experience more of nature, the BD III-XD combines premium performance with exceptional comfort in a remarkably compact design.

Combining premium XD optics, a lightweight magnesium alloy body, wide-angle field of view and outstanding close focus, the BD III-XD delivers amazing performance for birdwatching, wildlife observation and every outdoor adventure.

BD III-XD

KOWA BINOCULARS

XD Optics

Fluorite rich ED lenses deliver beautifully sharp images with outstanding contrast and remarkably natural colour. Kowa's KR protective coating helps keep them free from dirt and debris.

Official Wide-Angle Optics*

Follow moving subjects and enjoy a more immersive connection with nature.

* ISO 14132-2 International Standard. Excludes 50mm models.

Lightweight & Compact

Designed around a premium magnesium alloy chassis, every BD III-XD combines exceptional strength with remarkably low weight.

Comfort Without Distraction

Precision focusing and superb balance combine with an ergonomic design for effortless viewing.

The perfect view, whatever your pursuit.
